Engineering Technician II - Inspector: The Snyderville Basin Water Reclamation District (SBWRD) located in Park City Utah is seeking to fill the position of Engineering Technician II - Inspector. Primary responsibilities of this position include: reviewing construction plans; inspecting and documenting public sewer line and private sewer lateral construction; and assisting with the District's flow monitoring and survey/GPS programs. Specific experience within the last five years with described job duties is highly desirable. Experience working with engineering or construction related businesses a plus. Applicant must be energetic, mature, have strong public relations and communications skills, and have the ability to manage multiple projects. Must be able to pass a post-offer, pre-employment drug and alcohol screening and background check. Salary range \$46,069-76,015, DOE/DOQ. Excellent benefits. Employment applications accepted until position is filled and can be obtained at http://www.sbwrd.org/docs/employment_application.pdf. Send completed application and resume to 2800 Homestead Rd., Park City, UT 84098, 435-649-7993 or e-mail to kberkley@sbwrd.org . Resumes are welcome but are NOT a substitute for the required, completed application. SBWRD is an Equal Employment Opportunity Employer.
